

CASHLESS GIVING

Want to increase cash flow? Why not try Cashless Giving.

- ✓ Multiple solutions offered by CDF
- ✓ Easy to set up
- ✓ Immediate results
- ✓ Versatile to use for events

These units assist in engaging with a wider spectrum of people who don't necessarily carry cash with them. This in turn helps increase the amount of funds being collected. Moreover, they are versatile. You can change the minimum amounts as per your preference and you can track the donations live from your PC. They are cost effective and can be used at fund raising events, meetings and even the regular morning tea.

- ✓ These portable units run on 3G technology
- ✓ A portable unit costs \$569 plus delivery
- ✓ A Floorstand costs \$349 plus delivery
- ✓ The lead time for these units is 8 – 10 weeks.
- ✓ Flat fee of \$15 per month inclusive of a Sim card and 24/7 technical support.
- ✓ Sydney CDF covers the cost of CBA Merchant fees

Parishes that have implemented these devices have already experienced success. If you are interested or need any further information, you can also contact:
